

キッズエンジニア2023会場

受付

# 交流センター1階

A photograph of a modern building's interior atrium. The space is characterized by a high ceiling, large glass windows, and a tiled floor with yellow tactile paving. A red rectangular box is overlaid on the image, with a red arrow pointing from its bottom-left corner to a specific area on the wall. In the background, there are exhibition booths, a banner for 'Kids' Engineering 2019', and several people in yellow shirts. The overall atmosphere is bright and professional.
