Presentation

プレゼンテーション

Wonder Racing Team is a group full of innovation capacity and set up by the undergraduate and graduate students major in vehicle engineering and related subjects in November 2011. We all believe in our school motto "forge your sword, awake to truth" and regard "unite to create" as concept of team construction. Since 2012, we have participated in Student Formula China (FSC) for three times, and got encouraging results. Wonder Racing Team will continue to try our best to be an amazing team."

Participation report

参戦レポート

Wonder Racing Team in Liaoning University of Technology is the first time to participate in foreign competition, to participate in the 2015 SFJ for Wonder Racing Team full of harvest, the guidance of the referee help other team members' enthusiasm, rigorous style of work, let the players' respect. The players in the game learning to a lot of professional knowledge and management experience. Wonder Racing Team will continue to work hard, strive to become a world's top teams!
